The arrangement to provide the FBI with assistance in supplying the position intel collection potential of its CI ops is going well. The Bureau appears satisfied that we are being as helpful and constructive as possible. The Bureau has scaled down its expectations as our dialogue with them on this matter has increased.

Chief, Soviet/East European Division

SUBJECT: Your Luncheon Meeting with
Judge Webster on 4 August

Bill:

I think you know very well that the FBI and SE Division maintain a very close and productive relationship. It is a fact that the FBI is sharing all of its Soviet and East European cases with us. [REDACTED]

[REDACTED] The FBI has almost fallen into a system whereby, once they recruit an official, they do begin to think of CIA and usually give us an opportunity to sit down and try to talk

[REDACTED] We also work very, very closely with the FBI on surveillance modus operandi. [REDACTED]
